FANTASTIC FOOTBALL NEWS

Well done to our girls football team. They played their first game of the league this week against St Wulstan's winning 8-0.

Fabulous News !

Well done girls and coach.

Attendance

The happiness and educational progress of all our children are our main priorities and we believe that good attendance is a major way in which these priorities can be achieved.

Our school target is 96%. For the week reported below we were unable to achieve this with attendance at 94.8%.

Whilst we appreciate absences may be due to illness, or other reasons authorised by school, we ask for your support in this matter.

Each week on the newsletter we will be celebrating the class who has the
highest attendance.

For the week ending 27th March , congratulations go to:

Year : **4**

Attendance : **99.3%**

Most Improved class this week : **Year 4**

Maintaining High Attendance

At primary school, children who have high attendance (95-100% attendance) are 30% more likely to achieve the expected standard in reading, writing and maths compared to similar pupils who miss just 2-4 weeks of school (90-95% attendance).

NETBALL NEWS !

Huge congratulations to our netball team this week. They played two matches against St Johns scoring :
17—0 and 11— 0,
both to St Hilda's

Dear Zoe

I wish to express my sincere appreciation for the generous donation of Easter Eggs for the Children's Ward here at Blackpool Victoria Hospital. The staff were so grateful and asked me to say a huge thank you to you and the children for thinking of them.

This Trust could not do what it does without the generous support of our caring community. We are truly grateful for your kind and thoughtful contribution which made a difference to our patients, their families and our staff.

Thank you!

Yours sincerely
