ST HILDA'S NEWS

4th September 2026

WELCOME BACK

We hope you have all enjoyed the Summer. It has been wonderful to welcome back our children this week. The children have settled in really well. We welcome Mrs Simpson and Miss Conner, who are both new teaching assistants in school.

At the start of this new school year we are thinking about our Christian value of Respect, remembering how Jesus encouraged all human beings to love and respect each other.

Respect

Open hearts, open minds,
learning together with God.

*"Do for other people the same things you want them to do for you."
Matthew chapter 7, verse 12*

What to do if a child has an asthma attack

Actions to take if a child has an asthma attack and when to call 999.

- 1** Help them to sit up – don't let them lie down. Try to keep them calm.
- 2** Help them take 1 puff of their reliever inhaler (with their spacer, if they have it) every 30 to 60 seconds, up to a total of 10 puffs.
- 3** If they don't have their reliever inhaler, or it's not helping, or if you are worried at any time, call 999 for an ambulance.
- 4** If the ambulance has not arrived after 10 minutes and their symptoms are not improving, repeat step 2.
- 5** If their symptoms are no better after repeating step 2, and the ambulance has still not arrived, contact 999 again immediately.

Important: This asthma attack advice does not apply to MART or AIR inhalers. If a child has a MART or AIR inhaler, please tell the responder when you call 999.

An asthma action plan is a written plan with all the information you need about your child's asthma in one place.
